

ERYTECH 2018 TRADING WINDOWS

Open windows 136 days

Blackout periods 227 days

These black-out periods are provided to you for information purposes only. ERYTECH Pharma's employees, directors and officers are prohibited from buying or selling ERYTECH Pharma's securities during black-out periods. However, the mere fact for anyone to buy or sell securities during open windows does not imply the legality of the operation. Indeed, any person having access to material nonpublic information likely to influence the price of the securities or the opportunity to trade is considered as an insider. Any person trading securities must ensure not to perpetrate insider trading.
